**Field Descriptions** (F12) indicates code lookup is available.

### *PROV NO*

This field will display the provider number of the provider you last accessed in the system. If the PROL screen is being accessed for the first time, this field will display zeroes.

### *PROV NAME*

This field will display the name of the provider whose ID is displayed in the PROV NO field. If the PROV NO field displays zeroes, this field will be blank.

### *DISPLAY A=ACTIVE OR B=BOTH*

This field will default to "B" (both) which indicates providers with both active and inactive licenses will display. Enter an "A" (active) and only providers with an active license (or licenses) will be displayed.

### **SEL**

Enter an "S" (select) to select a provider to bring them back to whatever field/screen you were previously on. This is done by pressing F12 on a provider number field. Enter an "I" (inquire) to inquire on the provider details or an "M" (modify) to modify the provider details. Both of these functions will take you to either the PROD (Provider Detail) screen or the FACD (Facility Detail) screen. *Only licensing staff and certain Central Office staff can modify details on licensed providers.*

### **PROV-NO**

This field will display the provider number for the listed provider.

### **LOC**

This field will display the location number for the listed provider. *Providers with no location number indicate this is an umbrella provider or a non-licensed/non-contracted provider. All licensed providers will have a location number.*

### **PROVIDER NAME**

This field will display the name of the listed provider.

### **TYP (F12)**

This field will display the name type for the listed provider.

### **COUNTY (F12)**

This field will display the county where the listed provider is physically located.

### **Additional Information**

None.
